ORLETON VILLAGE MAGAZINE

November 2025

How to be included in Orleton Village Magazine

This magazine will be published on the first day of each month on the Village Website: www.orletonvillage.co.uk. Notification of publication, together with a link, will be given on Nextdoor and Orleton Village Chat (Facebook)

Articles of general interest, club or association reports and advertisements for community events may be included without charge. Commercial advertisements are charged, dependent on size. (Rates available on request from: orletonmagazine@gmail.com)

Small private sale advertisements may be accepted without charge if space allows

All content is accepted at the discretion

of the editorial team. Articles that are disrespectful or prejudicial will not be accepted.

Copy should be submitted as Word or PDF files. If hard copy is submitted there may be a charge for scanning and input.

All copy must be accompanied by the name, address and telephone number of the author, although this will not be included unless incorporated into the article.

Articles for publication should be emailed to: orletonmagazine@gmail.com by the 20th of the month prior to desired publication

Orleton Village Hall

Ideal venue for family events, parties, weddings, concerts, dances, training courses, drama performance, exhibitions, classes and craft fairs.

Large hall (160 seating capacity) with proscenium stage, theatre lighting and sound system, electric piano, video projector and radio mike.

Additional small hall (50 capacity)

Superb five star rated kitchen, cutlery and crockery. Large car park. Free Wi-Fi

Also tables, chairs and marquee available for hire for garden parties

For bookings /quotations: bookings@orletonvillage.co.uk

Tel 01568 780583

Editorial

This is the first edition of what we hope will be a monthly electronic magazine for Orleton Residents. It is not intended to replace Grapevine as there will be many who are not online who will still rely on that publication. This magazine is intended for those whom Grapevine does not reach but are on the internet.

I recently read an article which differentiated between living in a village and being part of a village. The author commented that there are those that live in a village but are not engaged in the community. They do not participate in

village events, visit the village pub and shop at the nearest supermarket buying nothing in the local village shop. They could be living anywhere—village, town or city.

However, there are others that move into a village and feel that it is a closed community not open to outsiders. We have new homes in the village, with more to come, bringing new families into Orleton. Let us make it clear that Orleton clubs, societies, Church, associations and sports groups enthusiastically welcome new members. Come and join us, support our events, make new friends.

Folk at the Boot

Not just folk but all genres
of music
Performers always welcome

It's always 2nd Thursday of the
month at 8.00pm

Coffee Morning

Village Hall

10.30 am until noon on Wednesdays
(Not July nor August)

Tea, coffee (incl decaf), Hot Choc
Selection of cakes

Plenty of friendly chat
Everyone welcome—just turn up!

Library visits once per month

Orleton Evergreens

Orleton Evergreens is a local community group for senior citizens (50+), formed in 1965, we celebrated our

60th anniversary with a catered afternoon tea, cake and bubbly in June this year, attended by over 90 past and present members and guests.

We meet on the last Thursday of the month in Orleton Village Hall, 2:30pm when we have a speaker, followed by tea and cake. In the summer months

we enjoy outings to a variety of locations. Our Christmas meal and Spring

Lunch are always very popular too.

Membership is currently £10 per year (payable in January) and £3 per hall visit or visitors can pay £5 per session.

Orleton WI

Orleton WI meets on the second Monday of every month (except August) in Orleton Village Hall - 2:30pm in Autumn and Winter, 7:30pm in Spring and Summer. Visitors are always welcome.

Our speakers cover a wide range of topics; this year we have heard about the rigorous training of a guide dog, flower arranging, the work of the Leominster Food Bank, a workshop making Dorset Button keyrings and we had an outing to Pitter Potter in Tenbury where we decorated our own piece of pottery, we then moved a few yards down the road for a cream tea at The Spotty Dog. We also enjoyed our annual Strawberry Cream Tea in August; October's meeting saw us playing Bingo and enjoying a delightful Harvest Tea. There's a bit of a theme going on here!

We are planning to take part in the Herefordshire County Show, entitled 'Autumn Bounty', at the end of October. In November Orleton WI is again providing refreshments at the Handmade & Gift Fair and also taking part in the Stars & Angels event at the church in December. We are very much part of the community!

Next month, on 10th November at 2:30pm, we welcome Heidi Caldicott talking about Reiki & Reflexology.

If you would like further information, please contact our President, Sue Copson on 01568 780956 or susancopson934@gmail.com

Orleton Craft Group

Orleton Craft Group has been in existence for just over ten years. We are a group of like-minded ladies who meet twice a month on the first and third Thursdays, 1:30-4:30pm, at Orleton Village small hall, £4 per session. We enjoy a whole range of crafts: knitting, crochet, quilting, embroidery, drawing and much more, offering help and guidance to one another if required.

Tea or coffee and cake is provided and we enjoy a chat along the way! Our stall at the annual Handmade & Gift Fair is always well received. Occasionally we have a workshop or we organise outings to various craft events e.g. the NEC for the Creative Craft Show and Malvern for the Autumn/Spring Quilt Shows.

Visitors are always assured of a warm welcome.

Orleton Parish Council

Street Sweeping Alert

Tuesday, 4th November

Attention all village residents, especially those of you who are car owners! Street sweeping will take place during the day on Tuesday, 4th November through the village in a radius out from the war memorial, with some preparation also being undertaken the day before. In order to ensure our roads remain clean and tidy and reduce the risk of dry vegetation and debris finding its way into the drains, we kindly ask that you do not park your vehicles on the main

roads through the village on these two days, if at all possible. Thank you in advance for your co-operation in helping us keep the roads clear and supporting our street maintenance efforts!

Thank you.

Clerk, Orleton Parish Council

Email: clerk@orletonpc.gov.uk

Orleton Recreation Association

We are delighted that ORA is part of the new digital Orleton Village Magazine. It is a tremendous initiative. Just so that as many people can hear about our news, we will continue to publish in Grapevine and on our own FB page.

There are a couple of pieces of exciting news from us this month. First, after some 22 years since it was first mooted, the pavilion re-build project has been completed. We are now starting the next phase to finalise it for a grand opening that – as of today – is scheduled to be Sunday December 14th. We will have a couple of trial events before that date to make sure everything works.

We are now sourcing flooring and white goods to install and there is a fair bit of top-coating to

do but we are absolutely delighted with the work that has happened, which has transformed the building and created another really useful community space.

We will also be planting a new hedge to the south of the Rec. Alisha Davidson did a brilliant job of getting the Woodland Trust to donate about 100 metres of hedging, which will include varieties such as hazel, blackthorn, crab apple, elder, dog rose and rowan and we also hope to add some specimen trees to the mix. We are hoping to organise a planting session when we receive the pack.

If you have any questions about the Rec, please don't hesitate to contact us by email at:

grahamjbshaw@gmail.com

Report from your County Councillor Dan Hurcomb

in touch if you would like to hear more. I would like to take this opportunity to thank the Parish Council and Cllr David Lane in particular for their support in getting us this far.

Finance

In less good news, there has been a worrying development with regard to the Council finances in the last month or so. This is as a direct result of the information we are receiving from central government regarding our funding for the next financial year as part of their "Fairer Funding Review". At the moment our current analysis of the financial situation suggests that once the increased demand for services is taken into account the difference between what the council requires and what the council will receive (from Government and Council Tax) is nearly £28million which will rise to over £120m by 28/29 if no action is taken. This pressure relates to the revenue budget but it is clear that the task that faces all of us is tough and significant and painful decisions lie ahead. I will of course keep you updated as and when more information on what this means becomes available.

At the October Council meeting took I was pleased to support three motions at which called for:

1. The Police to reconsider their decision to stop local Police Community Support Officers working after 8pm
2. To promote a "child friendly" Herefordshire, and
3. To investigate cheaper travel for 16-19 year olds on Herefordshire buses.

As always if you have any concerns, issues or would just like a chat then please do get in touch.

Dan Hurcomb 07837726821
dan.hurcomb@herefordshire.gov.uk

The end of the year is certainly coming on fast and life continues at a hectic pace at the moment with lots of local issues coming to the boil at the same time.

Road Works

We have been lucky in recent months to have had resurfacing at the B4362 at Comberton, the Kings Road in Orleton, the B4361 at the Luston turn and the B4362 between Yarpole and Lucton. This has made a huge difference locally and I am pleased to say that in addition to this the B4361 between Portway and Richard's Castle will undergo extensive patching work in November.

Road Safety

This month has also seen the installation of the "20 when lights flash" signs either side of the school. This work and the lining / roundels throughout the village has been paid for from the S106 contribution made by the developers of Captains Meadow. The measures are designed to "calm" traffic and keep local roads safe for all. Thanks go to Cllr Bishop for her persistence in getting this scheme delivered.

Flood Works

On the 17th October 2024, Orleton saw the first flood of the "season" which deposited tonnes of silt in Milbrook Way. The severity of this event and the frequency of events in the months that followed has led to further development of flood resilience schemes and I am pleased to report that we now have three potentially viable options on the table which if delivered together could resolve some of the long standing flooding issues the village faces. There isn't space to list details of all three here but please do get

Race Night at Village Hall

Saturday 18th October saw the return of the ever-popular Race Night at the Village Hall. This event in support of the Village Hall and the Apperley Recreation Ground attracted a large attendance and generated a great deal of both fun and funds.

Grateful thanks go to the Race Sponsors: Samuel Wood Estate Agents, The Boot Inn, Orleton Gardening Club, The Maidenhead Inn, B & P Powell Plumbing & Heating, Orleton Table Tennis Club, Teme Valley Electrics, Orleton Village Shop & Post Office and Graham Jenkins.

Some of the above also supported by advertising in the Race Programme as did Victoria Allen, Endless Travel, Minster Auction, Quarry Farm Shop and Alf Jenkins.

Thanks also go to the Maidenhead Inn for the donation of a meal for four with drinks, which when auctioned raised a substantial sum.

Our appreciation also goes to the Compare, the Tote Team and the Kitchen Team, who produced a very tasty supper

Orleton Good Neighbour Scheme

The Good Neighbour Scheme supports our community using a team of volunteers to help people who are experiencing difficulty in their own homes essentially, by just doing things that good neighbours do for each other.

Examples of how the scheme can help:

- Fetching prescriptions
- Occasional lifts to the surgery or hospital
- Shopping and running errands, such as posting a letter.
- Practical tasks around the home, such as changing a light bulb or hanging a picture

Orleton Church & Chapel News

The key event this month is Remembrance Sunday. The Remembrance service is on Sunday 9th November, starting at 10.45 at the War Memorial, and continuing in St George's Church around 11.15. Join us for a traditional Remembrance Service as we remember in words and music the sacrifice of those who died so that we can live in freedom from fear and oppression. Last month, we were delighted to join with the Village Hall and the Recreation Ground in celebrating our Harvest Festival. We had a service in the Village Hall, followed by a wonderful lunch. We were also thrilled with the super atmosphere at our still fairly new Family Services. These services are for people of any age who prefer a more informal style of worship, and take place on the second and fourth Sundays of the month, at 3pm – see elsewhere in this magazine for details.

Updates on our other activities, including ongoing church and churchyard maintenance, the Orleton History Group, Singing for Fun, support for the Village Coffee Morning, Caring for God's Acre, food bank donations, and the 100 Club winners, can be found in our full newsletter, at: <https://stgeorgesorleton.org.uk/news> , and click on 'Church & Chapel News'.

November 2025 Services & Times at St George's & Chapel

Prayer meetings continue in November on Wednesday 12th and Wednesday 26th November, at 4.30pm in Chapel.

Date	Time	Location	Service	Readings

Orleton History Group Update

Our September event was a wonderful exploration of agriculture over the centuries. Over 100 people enjoyed seeing and trying out traditional crafts such as spinning, peg-loomng, and needle-felting; working out where their house was on an 1840s map; viewing a vintage tractor and some less vintage sheep; reading some fascinating information boards; and visiting the Cider Barn. We also had some wonderful quiz entries with amazing needle-felted and peg-loomed prizes. Our October event on the History of Church Music is yet to take place as I write.

We have also been undertaking a project, researching the lives behind the men on the War Memorial, under the leadership of Ann Turtle and kindly funded by the Parish Council. To see the profiles completed so far, please see:

<https://stgeorgesorleton.org.uk/> and click on Orleton History Group.

Our upcoming talks & events are below. The talks are all free, donations invited for refreshments & heating.

Saturday 29th November, 2.30-4pm, St George's Church: 900 Years of Faith: James Forrester will explore

the subject of: A Parish Church? Yes, but why? And how well does such a church help us in our responsibility to share the good news of the Kingdom of God?

Saturday 13th December, 7.30pm, St George's Church: From Minced Meat to Mincemeat, the strange story of the mince pie, accompanied with Christmas wines: sample a range of mince pies from across the ages, starting with the original savoury minced meat pies and ending with our current sweet pies; all washed down with some of the choicest wines of the age! To allow us to cater (and purchase wines) for appropriate numbers, this is a ticketed event. Tickets £5 if purchased by Sunday 8th December from the Village Shop. £8 if purchased on 9th December or later.

You can also read reports on previous talks at the history group page at: www.stgeorgesorleton.org.uk (and then click on 'activities' and then 'Orleton History Group').

If you would like further information about the group, please contact Liz Mackay on

e.e.mackay@gmail.com, or 07484 679671.

24th December, 11.30pm: Midnight Mass/Communion, St George's

25th December, 10am: Christmas Celebration, Chapel

11th January, 3pm: Meet the Kings & Family Service

ORLETON AND DISTRICT GARDENING CLUB

Propagation: From Seeds, Cuttings and Division

On September 30th we welcomed back Philip Aubury, former Director of Birmingham Botanic Garden, to give a practical demonstration.

Seeds Philip advises looking out for F1 hybrids and seeds which have been awarded the RHS Award of Garden Merit (AGM). Using a fine compost the tray is filled and tapped down firmly. Half an inch of compost is sieved on top. Fine seeds, for example foxglove and begonia are surface sown, medium sized seeds like lettuce are covered with a light sprinkling of compost which he prefers to vermiculite. Large seeds are sown in 3 inch pots, six peas or two beans per pot. Containers are gently watered from above and placed in a propagator. After the first pair of true leaves develops seedlings are pricked out into cell trays, handling them by the seed leaves to avoid damage. They are planted so that the seed leaves rest on the compost surface.

Cuttings Philip uses a mix of $\frac{3}{4}$ multipurpose compost and $\frac{1}{4}$ sharp sand. Demonstrating with pelargoniums, tip cuttings are detached just below a node (nodal cuttings), stripped of all but two or three leaves and dipped into rooting powder before being inserted around the edge of a small pot. They are watered and covered to reduce transpiration. Internodal cuttings, cut midway between two nodes, work better for fuchsias, clematis and hydrangeas.

Begonias and African violets are propagated by leaf cuttings. A begonia leaf is detached cleanly, the veins on the underside are cut through and the leaf is laid flat in a seed tray of compost topped with horticultural grit and weighed down lightly.

Plantlets will develop from the cut veins. African violets are propagated by detaching a leaf cleanly from the base with one inch of stem, dipped in rooting powder and inserted into pots.

Hardwood cuttings, usually taken in autumn, useful for many shrubs including Salix, Cornus and roses are taken by selecting 12 inch long pencil thick stems cut below a node and inserted into tall narrow pots and left in a sheltered position outside

Division Useful for many herbaceous perennials. Philip advises dividing perennials grown on heavy soils in Spring and those on light soil in Autumn.

Like the best television chefs Philip brought 'dishes' prepared earlier to whet our appetites and inspire us, an economical way to increase stock for our gardens and our annual Plant Sale.

Ghislaine Arundale

On Tuesday November 25th Nancy Lowe's talk is 'Wildlife Gardening'. As a RHS qualified organic gardener, ecological garden designer and permaculturalist she will take the mystique out of this rewarding pastime, offering clear steps you can take to add wildlife benefits throughout your existing garden.

Doors open 7.15pm for 8pm start. Non-members welcome at £2.50 per person which includes tea or coffee.

Annual Membership £15.0

Mortimer Practice Patient Participation Group

The Total Triage System has gone live from 1st October 2025

A Total Triage system is a patient pathway, where all patient requests for appointments or advice are reviewed and triaged by clinical staff before an appointment is assigned. This process uses a combination of digital and traditional methods to gather information, ensuring patients receive the most appropriate care - whether that's self-care advice, a telephone consultation, a face-to-face appointment, or a referral to another service - and reducing pressure on phone lines.

How it works:

Information Gathering:

Patients submit their requests using digital forms, online systems, or by speaking to a receptionist.

Clinical Review:

A clinician reviews the submitted information to determine the best course of action.

Appropriate Pathway:

Based on the review, the patient is directed to the most suitable service, which could include:

- Self-care advice
 - A telephone or video consultation
 - A face-to-face appointment with a GP or other healthcare professional
- A referral to another service, such as a pharmacy or specialist

Benefits:

Improved Access:

It aims to reduce waiting times for those who need to call the practice by encouraging more patients to use the digital route.

Better Quality of Care:

Patients receive timely advice and access to the most appropriate care for their specific needs.

Efficiency:

The system helps practices manage patient requests more effectively, freeing up time for staff to assist those who need more help or prefer to call.

Reduced Footfall:

It helps reduce unnecessary visits to GP practices, which is particularly important for protecting both patients and staff from infections.

In essence:

Total Triage is a system designed to get patients the right help at the right time, using digital tools to streamline the process and ensure safe, effective care. Patients without digital access are asked to contact reception either by phone or in person at the surgery, and the team will complete the request on their behalf. The Practice is also installing iPads in each surgery so that patients can come in and use them if they prefer, with staff on hand to provide support.

Orleton Village Shop & Post Office

Mon- Fri	Shop 0745-1800	Post Office 0745-1800
Sat	0830-1230	0830-1230
Sun	0830-1230	Closed

Whenever possible stock is sourced from local suppliers and below is a small selection;

- Tudge's bacon and sausages and hams (from Richard's Castle)
- Locally made cheeses, cakes and bread
- Variety of wines, beer and spirits
- Sweets, newspapers, magazines and local information
- Fresh fruit and vegetables
- Pet food
- Cards and stationery
- Amazon and Evri collection and drop-off
- Plants
- The shop also stocks all the household basics and a good range of Fairtrade and eco-friendly products.

Post office services include;

- Personal Banking
- Foreign Currency Exchange
- Pensions and Allowances and much more
